    [First of Two Readings]
    Eric Stuckey, City Administrator
    Alderman Bransford moved to approve Ordinance 2013-18 on First of Two Readings. Seconded by Alderman Burger.

   Alderman Burger moved to amend to increase the compensation for the Mayor from the proposed $19,500 per year to $24,000 per year. Seconded by Alderman Martin. Motion to amend carried 6-2 with Aldermen Barnhill and Vice Mayor McLendon voting no.

   Alderman Skinner moved to delay initiating the increase until November 2015 to allow for another election of at-large aldermen; and, to make the increases for at-large and ward aldermen effective at the same time. Seconded by Alderman Barnhill.

   Discussion ensued on aldermen approving an increase for themselves; if the delayed effective date is approved, there will have been two elections one for ward aldermen and one for at-large aldermen (2013 and 2015), the make-up of the Board could change; if increases are approved there should not be a two-year delay; members of the current Board did not seek office because of the money.

   Eric Stuckey noted that per City Charter, Article IV, Section 7, BOMA has the authority to set the level of compensation for itself: No ordinance increasing compensation shall take effect until the second Tuesday in
November following a regular city election.

Motion to delay effective date of increased compensation until November 2015 FAILED 2-5 with Aldermen Skinner and Barnhill voting yes and Aldermen Martin, Burger, Blanton, Bransford and Petersen voting no. Vice Mayor McLendon abstained.
