

# Report Suspicious Activities and Dumping

## What is an Illicit Discharge?

Material that is washed or dumped into the Storm drain system that is not entirely Stormwater

If there is need for **stormwater maintenance** in your neighborhood, contact the Street Department: **615-791-3254**.

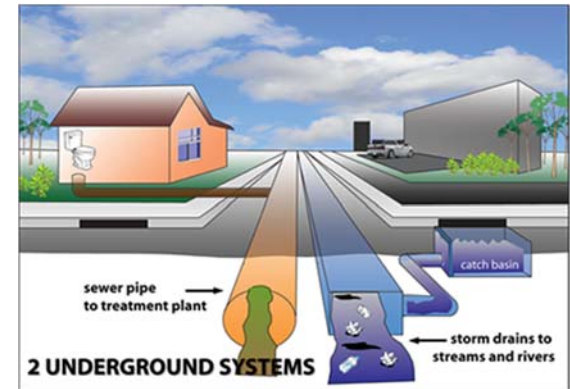

## Things You Can Do At Home

- Do Not Put Grass Clippings, Leaves and Other Yard Waste Into Storm Drains, Swales, or Ditches.
- Wash Your Vehicle Over a Grassy Area to Prevent Detergents from Running off into Storm Drains.
- Properly Dispose of Hazardous Materials such as Paints, Antifreeze, Oil, and other Toxic Chemicals, Visit **BOPAE** at 417 Century Ct. or at [www.franklintn.gov/BOPAE](http://www.franklintn.gov/BOPAE)

## Examples of an Illicit Discharge

- Car wash wastewater
- Gas and Motor Oil
- Grass Clippings
- Household Cleaners
- Paints
- Pesticides
- Pet Waste
- Solvents
- Weed Killer
