Remember that our info is updated weekly and you should still confirm that the dentist you select is currently participating in the Delta Dental Dentist Program at the time you make your appointment. You may do this by calling your local Delta Plan or checking with your dentist directly.

Delta Dental Plans and, with limited exception, Participating Dentists are independent contractors. Delta Dental Plans and Participating Dentists do NOT have a relationship of employer and employee nor of principal and agent. No such relationship other than that of independent parties contracting with each other solely for the purpose of Participating Dentists' provision of dental care to Delta Dental Plan members may be deemed to exist or be construed to exist between Delta Dental Plans and Participating Dentists. A Participating Dentist is solely responsible for the dental care provided to any patient, and Delta Dental Plans do not control the detail, manner or methods by which a Participating Dentist provides care.
