BrewFest is happening this weekend in downtown Franklin. The Brewfest is an opportunity for beer lovers to taste some of the latest local, national and international beer while exploring downtown Franklin's historic retail district. Expect (lots) of beer, live music, food trucks, merriment and more! The weather is supposed to get colder and we could get snow, but the event is happening rain, snow or shine. Tickets are still available. For more information on this event go to <http://downtownfranklintn.com/brew-fest/>. Thank you to all employees who assist with this event. **If you would like to win tickets to Brewfest, we have 5 pairs. The first five people to answer the following question will win.**

What famous figure in history gets credit for thinking up the idea of daylight saving time?

Don't forget to SPRING FORWARD on Sunday March 12. And Franklin Fire encourages you to also change the batteries in household items, especially smoke alarms, carbon monoxide alarms and severe weather essentials such as battery-powered flashlights, cell phone chargers and weather radios!

Enjoy your weekend and thanks for *all* you do!
