a. An applicant wishing to present an item to the Planning Commission shall contact the Department of Planning and Sustainability to schedule a preapplication conference. The applicant will be advised of what constitutes a complete initial submittal via the Preapplication Form, the details of the review procedures and the number of prints of the item to be submitted to the Department of Planning and Sustainability. FRANKLIN MUNICIPAL PLANNING COMMISSION
BYLAWS

i. An applicant appearing at a regular Planning Commission meeting may ask that an item be deferred to the next regular Planning Commission meeting, and only the Planning Commission may agree to the request by a majority vote. Deferred items shall be submitted to the Department of Planning and Sustainability by the deadline established in section 8.1.4(2)(d); however, if changes are made to the project that are so numerous or substantial that it no longer resembles the initial submittal, a complete re-review of the project is required according to the deadlines established in section 8.1.4(2)(b). An applicant has three (3) resubmittal dates, including the resubmittal of the first submittal review cycle, to return an item prior to the applicant process resetting to the beginning of the review process, as established in section 8.1.4(2)(b).

ii. If an applicant does not return an agenda item, according to section 8.1.4(2)(d), then the Planning Director shall remove the item from the agenda. In his/her absence, the Assistant City Administrator of Economic and Community Development shall remove the item. An applicant has three (3) resubmittal dates, including the resubmittal of the first submittal review cycle, to return an item prior to the applicant process resetting to the beginning of the review process, as established in section 8.1.4(2)(b).

iii. The City Administrator, the Assistant City Administrator of Economic and Community Development, the Planning Commissioners or the Planning Director may place items on the Planning Commission agenda as circumstances dictate.

iv. Performance and maintenance agreements and surety for landscaping shall not be released, reduced, or extended by the staff or the Planning Commission during the months of February, March, July, August, and September.

v. See section 8.1.4(2)(i) for additional exceptions if an item is not received by the deadline date.

c. The Staff shall review, within two weeks, the items submitted by the deadline date.

d. Once the items have been reviewed by the Staff, they will be returned to the applicants on Tuesday, 30 days prior to the January through October meetings and 30 days prior to the fourth Thursday in November, for the December meeting. It shall be the responsibility of the applicants to make the necessary identified corrections and to submit the required number of corrected blue line prints of the items, along with any additional information required, to the Department of Planning and Sustainability on Thursday, at 5:00 p.m., 21 days prior to the January through October meetings, and 21 days prior to the fourth Thursday in November, for the December
meeting. No revisions to exhibit documents, or additional exhibit documents, shall be accepted by the Department of Planning and Sustainability after this date, except if, in the opinion of the Planning Director, or the Assistant City Administrator of Economic and Community Development in his/her absence, the additional exhibits are related to ongoing discussions to address specific staff comments, recommended conditions of approval, or deficiencies.

e. The time prior to the agenda items being made available to the Planning Commission members shall be used by the Department of Planning and Sustainability as processing time for the items.

f. The Department of Planning and Sustainability shall prepare the Planning Commission agenda and all exhibits pertaining to the agenda eight (8) days prior to the meeting at which the agenda items will be considered.

g. Non-agenda items are to only be rarely considered. Items not submitted in accordance with the requirements of this section and other City Regulations shall not be placed on the agenda unless the applicant contacts the Department of Planning and Sustainability, as described below. Non-agenda items shall be placed on the agenda only upon the unanimous approval of the entire membership of the Planning Commission. Additionally, the request must be supported by the Department of Planning and Sustainability. Only the following requests shall be considered: Site Plan extension requests, Preliminary Plat extension requests, or an emergency item. It shall be the responsibility of the applicant to contact the Department of Planning and Sustainability no later than 12:00 Noon on the Friday prior to the regular Planning Commission meeting to add a non-agenda item. If there is a history (surety refusals, notices of violations, conditions of approval, etc.) concerning the project, the applicant shall supply this information and a letter outlining the request, addressed to the Planning Director. It shall be the responsibility of the applicant to pay the applicable review fees. The Department of Planning and Sustainability shall contact the Planning Commissioners to provide information regarding the requested non-agenda item and to provide public notice of the change to the agenda.

h. The following provisions shall apply to items on the agenda:

i. Items to be Withdrawn by an Applicant:
   If, for any reason, an applicant wishes to withdraw from the agenda, they shall be permitted to do so until 12:00 Noon on Monday ten (10) days, prior to the meeting. After that time, no agenda item will be permitted to be withdrawn.

ii. Items to be Deferred by an Applicant:
   If the applicant wishes for the item to be considered at the next regular Planning Commission meeting, then the applicant shall request, in writing to the Department of Planning and Sustainability, that the item be deferred as described in section
8.1.4(2)(b). If the applicant wishes to resubmit the item for Planning Commission consideration, this may be done according to section 8.1.4(2)(b).

iii. Items for Planning Commission Consideration
If the applicant has questions about or is in disagreement with a staff recommendation on an agenda item or a specific condition of approval on an agenda item, then the applicant shall contact the Staff Planner with the Department of Planning and Sustainability prior to the Planning Commission Meeting. If the applicant fails to notify the Department of Planning and Sustainability of an objection to a staff recommendation or a condition of approval by at least one (1) business day prior to the Planning Commission Meeting, the item may be deferred until the next available Planning Commission Meeting Agenda.

i. Items may be administratively removed from the agenda by the Planning Director, if, in the opinion of the Planning Director, one or more of the following conditions are determined. In the absence of the Planning Director, the Assistant City Administrator of Economic and Community Development shall make this determination.

i. The submittal was not received by a deadline established by sections 8.1.4(2)(b) or 8.1.4(2)(d).

ii. A preapplication conference, as required by section 8.1.4(2)(a), was not held with the Department of Planning and Sustainability.

iii. The submittal is incomplete and is missing one or more essential components as identified on the completed Preapplication Form, such as concept plans, drainage plans, elevation drawings, landscaping plans, lighting plans, pattern books or other information required by the zoning ordinance.

iv. All conditions of approval prerequisite to submittal of a plan are not satisfied.

v. The submittal contains technical deficiencies that:

1. are so numerous or substantial that the submittal is too incomplete or illegible for the staff to determine if the applicable minimum requirements have been met and to make an accurate and informed recommendation to the Planning Commission;

2. are so numerous or substantial that, when corrected, any conditions would change the project so substantially that it would no longer resemble the initial submittal and would necessitate a complete review by the staff; or
3. are substantially inconsistent with an approved conservation design plan, concept plan and/or pattern book, preliminary plat or previous condition of approval applicable to the submittal.

If an item is administratively removed from the agenda, the Planning Director or his/her designee shall notify the applicant in writing as soon as possible after the determination is made.

(3) Items considered at special meetings are limited to those designated by the Chair or at the request of any Planning Commission member calling the meeting. The items shall be listed in an agenda at the earliest possible date.

(4) The Department of Planning and Sustainability shall make copies of the agenda available to the Planning Commission members, to the City Recorder, to the City Attorney, to the applicants and to at least one local newspaper and/or radio station, prior to each regular meeting and at the earliest possible date prior to a special meeting.

(5) Items deferred by the Planning Commission shall be reset for a particular date as determined by the Planning Commission. The provisions of the Tennessee Code Annotated, Section 13-4-304, shall apply to the time frame for approval, approval with conditions, or disapproval of subdivision plats. The applicant may also voluntarily withdraw subdivision plats.

(6) A Franklin Land Use Plan or Central Franklin Area Plan (known collectively as the Land Use Plan) amendment and a rezoning request or planned unit development (PUD) to follow the Land Use Plan amendment shall not be submitted to the Planning Commission for action at the same meeting. Requests for amendments to the Land Use Plan shall only be placed quarterly on the Planning Commission agenda (March, June, September, and December). Depending on the nature of the request, special meetings of the Planning Commission may be needed to discuss the requested land use plan amendment and allow for additional public involvement.

8.1.5 Quorum

Five members of the Planning Commission shall constitute a quorum for the purpose of conducting business.

8.1.6 Voting

A majority of the Planning Commission members present and constituting a quorum shall be necessary to decide items requiring action. At the discretion of the Chair, the voting on questions shall be by roll call, and the ayes and nays shall be entered upon the minutes of the meeting, except that, when the vote of all of the Planning Commission members present is unanimous, recording the unanimous vote shall be sufficient. Any member of the Planning Commission or the public desiring to discuss an item on the consent agenda may request that it be removed and placed on the regular agenda. 8.1.8 Public Comments, Public Hearings, and Applicant Presentation

(1) Public Comments and Public Hearings

Guidelines for Public Comments or Public Hearings for Individuals:
(a) The Planning Commission shall also allow Public Comments on all items on the agenda. Public Comments on these items may be opened and closed by the Chair, without a vote of the Planning Commission.
(b) Prior to speaking during Public Comments or a Public Hearing, individuals should complete a Public Comment Card.
(c) Comments shall be limited to two (2) minutes per individual. At the discretion of the Chair, and under limited circumstances, the time may be extended for due cause.
(d) Individuals wishing to speak shall come to the podium at the front of the room, face the Planning Commission, identify themselves by name and home address, and make comments related to the agenda item.
(e) The Chair may limit those Public Comments that are irrelevant or repetitive in nature.
(f) State law for certain items, for example, amendments to the subdivision regulations, requires Public Hearings. During statutorily required Public Hearings, after presentation of the item by the planning staff and the proponent, the Chair shall open the public hearing in order to allow individuals to speak. After those individuals wishing to speak at the Public Hearing have done so, on a motion and vote, the Public Hearing shall be closed.
(g) The Planning Commission shall also allow Public Comments on items not on the agenda. Public Comments on these items may be opened and closed by the Chair, without a vote of the Planning Commission.

9.1 COMMITTEES

Special committees may be appointed by the Chair for purposes and terms, which the Planning Commission members approve. The Conceptual Project Workshop shall be a standing committee of the Planning Commission as it is a required step for certain Planned Unit Developments (PUDs).

9.1.1 Conceptual Project Workshop

The Conceptual Project Workshop, a required step in the zoning ordinance for certain Planned Unit Developments (PUDs), is intended to be informal forum for the Board of Mayor and Aldermen and the Franklin Municipal Planning Commission to learn about, and provide feedback to applicants related to, potential applications for projects and/or potential PUD projects in light of the Franklin Land Use Plan, Zoning Ordinance, Subdivision Regulations, Major Thoroughfare Plan, Bicycle and Pedestrian Plan, Local Street Plan, neighborhood impact, context, scale, public facilities and infrastructure, open space, and project phasing. All discussion is for the aid of the applicant only and is non-binding on the Board of Mayor and Aldermen or on the Franklin Municipal Planning Commission. Any changes made or suggestions taken by the applicant based on discussion from the Conceptual Project Workshop is the applicant's choice and the Board of Mayor and Aldermen and Planning Commission makes no representation as to whether any changes or suggestions made during the Conceptual Project Workshop will be approved by the Board of Mayor and Aldermen. The Board of Mayor and Aldermen retains the responsibility
and duty to approve all PUD Concept Plans, and the Planning Commission’s duty is to approve Regulating Plans; therefore, the Planning Commission and Board of Mayor and Aldermen will not make any binding decisions during the Conceptual Project Workshop. In addition to Planned Unit Developments (PUD), Conceptual Project Workshops would also entertain staff requests for discussion.

9.1.2 Membership

The Conceptual Project Workshop shall consist of the full membership of both the current Board of Mayor and Aldermen and the current Franklin Municipal Planning Commission. The Planning Director or the Assistant City Administrator of Economic and Community Development shall facilitate the workshop.

9.1.3 Regular Meetings

Regular meetings of the Conceptual Project Workshop shall be held on the fourth Thursday of each month, January through October, and the third Thursday in November and December, at 5:30PM in City Hall, or at such other place and time as the Planning Director and/or Assistant City Administrator of Economic and Community Development may designate.

9.1.4 Special Conceptual Project Workshop Meetings

The Planning Director and/or Assistant City Administrator of Economic and Community Development, when he/she deems it necessary, or upon the request of any Planning Commission of Board member, shall call and designate the time and place of a special meeting for the purpose of transacting business designated in the call.

9.1.5 Publication

Notice of regular meetings shall be published prior to each meeting in at least one local newspaper with an agenda of the items to be considered at the meeting. If possible, notice of special meetings shall be published prior to each meeting in at least one local newspaper, with an agenda. If notice of a special meeting is not possible in at least one local newspaper, then, prior to holding the meeting, notice shall be announced on a local radio station with a brief summary or agenda of the matters to be discussed.

9.1.6 Agenda

(1) It shall be the duty of the Department of Planning and Sustainability to prepare an agenda listing the business and matters to be considered at each Conceptual Project Workshop meeting. Since the meeting is typically held prior to the regularly scheduled FMPC Meeting, there shall be a limit of three (3) items per agenda, unless the Planning Director grants special permission for additional items.

(2) In order for items to be considered at a regular meeting, they shall be submitted to the Department of Planning and Sustainability as follows:
a. An applicant wishing to present an item at the Conceptual Project Workshop shall contact the Department of Planning and Sustainability to schedule a Preliminary Concept Meeting and a Preapplication Conference. The Preapplication Conference must be held in advance of the Conceptual Project Workshop.

b. Presentation items shall be submitted to the Department of Planning and Sustainability along with an applicant's initial submittal application package. Items not received by the deadline date and time shall not be placed on the agenda. The City Administrator, the Assistant City Administrator of Economic and Community Development or the Planning Director may place items on the Conceptual Project Workshop agenda, as circumstances dictate.

c. During and following the applicant presentation, the staff may respond to questions about the staff comments and observations at the Preapplication Conference, staff comments and observations on the initial submittal package, and applicable Land Use Plan policies.

d. The Department of Planning and Sustainability shall prepare the Conceptual Project Workshop agenda at least one week prior to the meeting at which the agenda items will be considered.

e. Non-agenda items shall not be considered at the Conceptual Project Workshop.

f. Items may be administratively removed from the agenda by the Planning Director, if, a Preliminary Concept Meeting or preapplication conference, as required by the Zoning Ordinance, was not held with the Department of Planning and Sustainability.

(4) The Department of Planning and Sustainability shall make copies of the agenda available to the Planning Commission members, to the City Recorder, to the City Attorney, to the applicants and to at least one local newspaper and/or radio station, prior to each regular meeting and at the earliest possible date prior to a special meeting.

9.1.7 Quorum

There is no requirement for a quorum for the Conceptual Project Workshop, since it is a nonvoting informational meeting.

9.1.8 Voting

The Conceptual Project Workshop is a non-voting meeting.

9.1.9 Order of Business

The typical process for discussing an item in this workshop setting is as follows:
FRANKLIN MUNICIPAL PLANNING COMMISSION
BYLAWS

(1) Call to Order by the Chair of the Planning Commission;
(2) Announcements and brief overview of the agenda by the Planning Director;
(3) Applicant presentation;
(4) BOMA and FMPC comments; and
(5) Adjournment.

9.1.10 Public Comments

Public Comment may be permitted during the workshop at the discretion of the Chair. The intent of the Conceptual Project Workshop is to provide a forum of discussion among applicants, the Planning Commission, and the Board of Mayor and Aldermen. Opportunities for public comment will be provided for in later phases of the planning processes.

9.1.11 Minutes

Because the Conceptual Project Workshop is an informal nonvoting meeting for general discussion and informational purposes, minutes will not be kept; however, the published agenda will serve as documentation that an item has satisfied this required step for certain PUDs and any materials presented by the applicant will be entered into the official record for the proposed application.

10.1 AMENDMENTS

These bylaws may be amended at a regular or special meeting, but no amendment shall be adopted unless a written notice of at least four days has been previously given to the Planning Commission members.

11.1 ADOPTION AND EFFECTIVE DATE
