NOTE TO USER
 Future revisions to this FIRM index will only be issued to communities that are located on FIRM panels being revised. This FIRM Index therefore remains valid for FIRM panels dated December 22, 2016 or earlier. Please refer to the "MOST RECENT FIRM PANEL DATE" column in the Listing of Communities table to determine the most recent FIRM index date for each community.

MAP DATES
 This FIRM index displays the map date for each FIRM panel at the time that this index was printed. Because this index may not be distributed to unaffected communities in subsequent revisions, users may determine the current map date for each FIRM panel by visiting the FEMA Map Information eXchange website at <http://www.msc.fema.gov> or by calling the FEMA Map Information eXchange (FMIX), toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current "FIRM Index". These may be ordered directly from the FEMA Map Service Center at the number listed above.
