SUBJECT: Ordinance 2010-38, Rezoning request for property located at 415 and 417 Eddy Lane from Medium Residential (R-2) to Residential Variety (RX)

Purpose

The purpose of this memorandum is to provide the Board of Mayor and Aldermen (BOMA) with information regarding a rezoning request from Medium Residential (R-2) to Residential Variety (RX) of 0.7 acres located at 415 and 417 Eddy Lane. (Ordinance 2010-38)

Background

The applicant requests to rezone this property from Medium Residential (R-2) to Residential Variety (RX) in order to construct an additional single family dwelling unit on this site. The two existing lots are not large enough to create 3 new lots that meet the minimum lot size requirements for the R-2 Zoning District. The applicant has requested a rezoning in order to create a new single family lot. Since two duplexes are already located on the existing lots, the applicant must request a rezoning to RX (Residential Variety). RX is the only residential zoning district where attached residential units are an allowed use. The applicant is requesting a total density of five (5) units; four (4) are existing.

DIFFERENCES BETWEEN R-2 (EXISTING) AND RX (PROPOSED) ZONING DISTRICTS
<p>R-2 District purpose is to:</p> <ul style="list-style-type: none"> a) Provide for moderate-density residential development; b) Protect environmentally sensitive areas, such as floodplains and steep slopes; and c) Provide conditions and standards to help ensure the compatibility of new development with surrounding neighborhoods.
<p>RX District purpose is to:</p> <ul style="list-style-type: none"> a) Provide for both detached and attached residential dwellings; b) Provide for a variety of housing options and densities within the city; c) Protect environmentally sensitive areas, such as floodplains and steep slopes; d) Provide for compact development to protect open spaces; and e) Provide conditions and standards to help ensure the compatibility of new development with surrounding neighborhoods.
LAND USE PLAN RECOMMENDATIONS
<p>This site is located in the Central Franklin Character Area, Special Area 4. This special area is to the north and east of the downtown core and has been developed more recently compared to the rest of Central Franklin, consisting of predominantly residential neighborhoods. The character of this area is primarily conventional, with a conventional or suburban development pattern. New infill and redevelopment in the area will be mostly conventional to respect the character of the established conventional area. Neighborhoods reflect a low to medium density. Residential uses, including both detached and attached residential, will remain the predominant land use in the future.</p>

This rezoning request was unanimously recommended onto the Board of Mayor and Alderman by a vote of 8 to 0 at the July 22, 2010, of the Franklin Municipal Planning Commission meeting.
