Wastewater Treatment Plant

Approved Grease Waste Hauler Agreement

Grease Waste Hauler Company Name

Phone #

In signing this agreement, the above named grease waste hauler company agrees to the following requirements:

1. The grease waste hauler company agrees that all grease interceptors and grease traps serviced, pumped, or cleaned by the grease waste hauler company will be complete pump of all contents. This includes FOG, food solids and water portion of the interceptor or trap.
2. The grease waste hauler company agrees to provide a manifest or record of grease interceptor or grease trap pumping to the food service establishment, and the information will include, at a minimum: Date pumped, volume pumped (in gallons), name of food service establishment, and address of food service establishment.
3. The grease waste hauler company agrees to provide written documentation to the food service establishment management of any problems or defects found in the grease interceptor or grease trap. At a minimum, the written notification will be made for missing inlet or outlet Tees, holes or cracks, deterioration of the equipment, overflowing FOG at outlet Tee, no access to all interceptor chambers, or any obvious problems with the interceptor or trap.
4. The grease waste hauler company agrees to provide the City of Franklin, TN Water & Sewer Department a list of all food service establishments that were pumped or cleaned on a monthly basis. The Grease Waste Hauler Monthly Report will be due by the 7th day of the following month. The report may be mailed, faxed or emailed to the Department. (Fax # (615) 791-3208; Email: juand@franklintn.gov).
5. The Grease Waste Hauler agrees that failure to comply with any of the above agreements will result in the removal of the Grease Waste Hauler from the Approved Grease Waste Hauler List for a minimum of 2 years.

I have read and understand the requirements to be on the Approved Grease Waste Hauler List, and I am an authorized representative of this company.
