4. Parks staff will review requests and follow-up with you regarding the status of your application. Please note that all applications are subject to review and may require submission of additional information. Submittal of an application does not grant you a permit.
5. Applicants are required to inform the City of Franklin Parks of any and all amendments to the original application prior to the date of your reservation.
6. Once the City of Franklin Parks requirements have been fulfilled, including all documents and full payment, a pavilion reservation permit will be issued.
